The Gloucester County Department of Health and Human Services is working with the New Jersey Department of Health to conduct a full assessment that includes identifying the contacts these individuals have had.

At this time, the overall threat of COVID-19 to Gloucester County residents remains low. Gloucester County is expecting cases to rise. Social distancing is critical in flattening the curve and reducing cases. A mask should only be worn if a healthcare professional recommends it.

New Jersey residents can call 2-1-1 or 1-800-962-1253 with questions. The call center is open 24/7 and has multi-language capacity.

Residents can also text NJCOVID to 898-211 to receive text information and stay informed. To receive live text assistance, text your zip code to 898-211.

Please note that the call center is not able to diagnose or give medical recommendations. Healthcare providers should be contacted if medical advice is needed. People should call their doctor or hospital before going so healthcare staff can provide instructions on getting care.

Most people with mild symptoms do not need to be tested. It is important to stay home and isolate from others while sick.

Please continue to check the CDC at www.cdc.gov and New Jersey Department of Health www.nj.gov/health/ websites for updates.

The Gloucester County Department of Health can be reached at (856) 218-4101 or by visiting www.gloucestercountynj.gov.
